May 5, 1999

The following is a corrigenda of the black hardbound edition (i.e., the author's doctoral dissertation submitted to the University of Tsukuba at January 1999) of *Computational Complexity of Boolean Formulas with Query Symbols*. The asterisked items are already corrected in phd2.dvi of 99/01/15 11:52.

*** next page to the title page. line 16.**

Wrong: Notre Dame University

Right: University of Notre Dame

*** page 12. line -1.**

Wrong: approach

Right: approaches

page 41. line 1.

Wrong: above formulas (1), (2) and (3),

Right: above formulas (4.1), (4.2) and (4.3),

page 41. line 11.

Wrong: formulas (4) and (5),

Right: formulas (4.4) and (4.5),

page 63. line -1, -2, -4; page 64. line 3; page 65. line 5.

Wrong: $1\text{-}tt\text{-Red}(g, i)$

Right: $1\text{-}tt\text{-Red}(g)$

END.
